

Countryside CONNECTIONS

WINTER 2015

www.countryside-il.org

From the Mayor's Desk . . .

The 2014 holidays are now a distant memory and I hope that you and your family enjoyed a safe, happy and healthy holiday season. One of the highlights for me was the annual Countryside Christmas Party, sponsored by the City and CBA, held for the children of Countryside. As usual, there was a large, enthusiastic crowd and a great time was had by all. It is such a joyful tradition. I look forward to it all year and I know that the kids do too.

Well, it is clear that the IDOT project going on at the intersection of LaGrange and Joliet roads, will not finish on schedule. We recently heard from IDOT that the revised deadline is July of 2015. While we are all disappointed in the

IDOT delay, the lane configuration has been temporarily put back to the original traffic flow until construction starts up in the spring.

The City Council has agreed to the sale of the property next to McDonald's to Lil' Kickers, a junior soccer league currently located in McCook. There will also be some retail space included and the details are currently being hammered out. That land has been vacant for quite some time and it is good to be moving forward.

I am happy to be able to end my comments on a very positive note. The City Council met on December 10, 2014 and unanimously agreed to abate any and all Countryside City real estate taxes for 2015. That is good news for all the property owners in Countryside.

Do not hesitate to contact me via email or phone and let me know what you think (good, or not so good). I have enjoyed all of the comments that residents and businesses have sent me recently and your opinion is important to me. We all on the City Council work for you, the residents of Countryside. My direct line is (708) 485-2050 and my email address is ekrzeminski@countryside-il.org.

Stay safe throughout the remainder of the winter.

Mayor Ed Krzeminski

Upcoming Meetings

January

6	Senior Citizens Club	6:30 p.m.

Ward Reports

WARD 1

Alderman James Jasinski
Alderman Robert Pondelicek

(708) 828-3563
(708) 354-5001

jjasinski@countryside-il.org
bpondelicek@countryside-il.org

- ◆ The City Council recently approved a Redevelopment Agreement with Countryside Partners, LLC for the development of Lot 3B in the City Center. Keep your eyes open for the new Chick-Fil-A restaurant that will be built in 2015. We are very excited to bring this development forward.
- ◆ The City Council approved a Redevelopment Agreement with Lil' Kickers LLC for the development of the previous hotel site at 5631 S. LaGrange Road. Lil' Kickers is an outstanding program that offers soccer for kids along with integrating important child development into the program. The 21,000 sf. facility will also be coupled with retail spaces. This facility is tentatively scheduled to open in September 2015.
- ◆ The following local road work was completed as a part of the City's resurfacing program: the alley east of LaGrange Road from 55th Street to Bobolink.
- ◆ 56th Street (LaGrange to East Avenue) will be included in the Fiscal Year 2016 budget for a drainage project.
- ◆ 9th Avenue (57th Street to 56th Street) will be included in the paving plan for Fiscal Year 2016.

WARD 2

Alderman Karen Michalczyk
Alderman John Von Drasek

(708) 917-2573
(708) 482-7663

kmichalczyk@countryside-il.org
jvondrasek@countryside-il.org

- ◆ Tony's Fresh Market officially opened for business on November 19th! Ward 2 residents, along with many other area residents are pleased to have such an upscale beautiful grocery store once again in our area. Please be sure to stop by and visit this long awaited gem.
- ◆ The storm drain near Parkside and Crestview was cleaned.
- ◆ Hillside Road from Lorraine Drive to Sunset Avenue and Stalford Road from Joliet Road to the east limit will be included in the paving plan for Fiscal Year 2016.
- ◆ Parkside Avenue will be included in the Fiscal Year 2016 budget for a drainage project.

WARD 3

Alderman Sean McDermott
Alderman Scott Musillami

(708) 354-2350
(708) 334-5803

smcdermott@countryside-il.org
smusillami@countryside-il.org

- ◆ The alley west of LaGrange Road (55th Street to Plainfield Road) was completed as a part of the City's Street and Alley Resurfacing Program.
- ◆ Blackstone Avenue, Peck Avenue and 61st Place will be included in the Fiscal Year 2016 budget for drainage projects.
- ◆ Please remember that you can walk your dog in Countryside Park from December 1 through March 1.
- ◆ There recently have been coyote sightings in Ward 3. Please make sure that you watch your small pets.

*Happy Holidays to our residents and their families
and for a healthy and successful 2015!*

Police Updates

Back for 2015 . . . Citizen's Police Academy

The Countryside Police Department is offering its 4th Citizen's Police Academy. Classes begin January 13, 2015. There are still a few seats left, so interested residents and business owners are encouraged to enroll. This program provides insight into law enforcement techniques and classes are geared toward assisting citizens in understanding laws and police practices within our City. The program lasts 12 weeks and is no cost to attend. For additional information, please visit our website or contact the police department at 708-485-4018 or

police@countrysidepolice.org.

Calling 911 from a Cell Phone

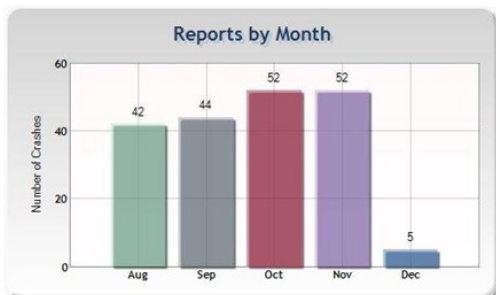

When you call 911 from a cell phone, your call may land in a dispatch center that is out of the area. This is because your cell phone searches for your carrier's nearest tower. This tower may be out of our jurisdiction. When calling 911 from a land line, an address is associated with the call and the call is automatically directed to the correct Public Safety Answering Point, (PSAP) or 911 center. When calling 911 for police services just indicate your city, address, and reason for calling. When calling 911 for the services of the fire department, i.e. fire or medical assistance, tell the dispatcher you are in the **Pleasantview Fire Protection District** so you are transferred directly to their dispatch center. If you have any questions regarding this information please contact us at our non-emergency number (708) 352-2171 and press # 0.

Safe Driving Reminder

While everyone is busy making resolutions and celebrating the New Year with family and friends, the Countryside Police Department would like to remind our residents to keep safety on their to-do lists. Not just during the holidays, but throughout the year, two of our most common complaints are speeding and stop sign violations. These two violations are also the primary cause of crashes in Countryside. In a joint effort to keep our neighborhoods safe, please be aware of posted speed limits and obey all stop signs. Keep an eye out for the speed sign as our officers continue to monitor and assess areas with a higher incidence of these violations.

CRASH STATISTICS (August - December 4, 2014)	
Total Crashes:	195
Injury Crashes:	26
Total Injured:	33
Fatal Crashes:	0
Total Fatalities:	0
Commercial Vehicle Crashes:	10
Property Damage Crashes:	169
Private Property Crashes:	67

Shop With A Cop Program

City Property Tax Levy Drops Again for 2015!

For many years leading up to the great recession of 2008, Countryside always took pride as one of the few municipalities in the Chicago area that did not levy a property tax upon its residents and businesses. Unfortunately, once the recession hit the City was not immune to the economic effects and suffered some significant reductions in its sales tax revenue base.

For five years after the start of the 2008 recession, the City had to make some very difficult decisions. On one hand there was a strong desire among elected officials to keep the long standing tradition of not levying a property tax. On the other hand, there was the realization that in order to stay financially strong and maintain a high credit rating during the difficult economic times, it was necessary to find a supplement for the reduction in sales tax.

Elected officials decided that the financially prudent thing to do was to levy a property tax only in order to pay debt service on one of its bond issues. It is important to note though that even during good economic times, a typical municipality levies a property tax not only to pay debt service, but also to fund normal operating expenses and make required annual pension contributions. The City of Countryside believed that a minimal property tax levy used only to pay for debt service on one of its bond issues was a good compromise.

As you drive around town, you may notice some new businesses, especially along or by the Joliet/LaGrange Road area. This business growth is the result of keen foresight by elected officials and has resulted in the City realizing significant financial benefits. In order to pass on these benefits, last year elected officials reduced the property tax levy 85% from approximately \$1 million to only \$150,000. Because of the continued success and business growth in the area, elected officials are pleased to announce that the municipal portion of property tax levy for next year will be eliminated!

City Refinances General Obligation Bonds For Big Savings!

In calendar year 2008, the City issued general obligation bonds totaling approximately \$18 million to finance the purchase of several parcels of land which are now redeveloped and part of the City Center along the Joliet and LaGrange Roads. The originally issued bonds mature over a thirty year period.

Recently, interest rates have dropped low enough that it has been determined that a partial refinancing of these bonds will result in a savings to the City and its taxpayers at an estimated \$1.5 million dollars over the remaining life of the bonds. The bond refinancing process is similar to what a homeowner would typically do when refinancing a mortgage. New bonds having lower interest rates will be issued and the old bonds at higher interest rates will eventually be “called” in and paid (legal defeasance).

One of the primary reasons that the City was able to obtain lower interest rates on the existing bonds is due to its high Aa2 credit rating. Prior to the issuance of new bonds, the City obtained a new credit rating from Moody’s Investor Service and it reaffirmed the City’s Aa2 rating. The continued high rating is largely the result of ample reserve levels, a strong retail base, and stabilization of the overall tax base.

Joliet & LaGrange Intersection

The Illinois Department of Transportation “IDOT” has jurisdiction of the intersection at Joliet and LaGrange roads. Improvements to this intersection including dual left turn lanes on northbound and southbound LaGrange road began this summer. This State project will greatly improve traffic flow and safety at one of the City’s busiest intersections. Unfortunately, IDOT notified the City that their project scheduled to be completed in November, 2014 will not be completed until July, 2015. They are putting the intersection back to its original configuration for the winter. They will continue installation of the traffic signals and electrical work through the winter. However, the medians, dual left turn lanes and paving cannot be completed until the asphalt plants open in the spring. The City realizes this construction is causing delays and is an inconvenience to our residents and businesses but please be aware that we have no jurisdiction over this project. We will continue to monitor the progress and assist IDOT if needed to move this project along. Your patience is appreciated.

Water Committee

DECISION PENDING ON 2015 WATER RATES

The City of Countryside indirectly purchases its water from the City of Chicago via the Village of McCook. In 2011, the Village of McCook notified the City of Countryside that Chicago planned four consecutive annual water rate increases on January 1st as shown on the chart:

During the last three years, the Village of McCook has passed through the entire increase they received from the City of Chicago plus an additional administrative fee. For calendar year 2015, the Village of McCook passed through the entire City of Chicago increase of \$.49/thousand gallons plus an additional \$.05/thousand gallons for other administrative costs. The City's Water Committee has met and will provide their recommendations to City Council in January on how much of the 2015 McCook increase should be passed through to its customers.

Year	Chicago % Increase	McCook Increase to Countryside
1/1/12	25%	\$.56/thousand gallons
1/1/13	15%	\$.42/thousand gallons
1/1/14	15%	\$.48/thousand gallons
1/1/15	15%	\$.54/thousand gallons

After the new Countryside water rate is determined, it will take affect with water usage starting on January 1, 2015. Notification of the new rate will be provided via the City's website and on the water bills mailed out in January (for December usage).

If you have any questions about the new water rates, please contact the City's Finance Department at (708) 354-7270.

Water Department

Water Main Break Notification Procedures

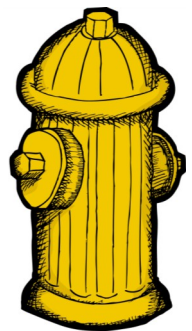

If a break occurs during normal waking hours, City staff will generally attempt to notify the affected homes and businesses in person. However, if the break affects a large number of properties, a "Reverse 911" call will be initiated. If the break occurs after 10pm, the Water Department will make repairs and generally request a "Reverse 911" call in the morning (5am) if repairs are not complete.

The Reverse 911 system is an important tool for notifying residents of problems or conditions. ***It is important to remember that Reverse 911 calls go only to "listed" phone numbers.*** If you have an unlisted phone number and want to be added to the call list, contact the police non-emergency number at (708) 352-2171.

Help Keep Fire Hydrants Clear of Snow

It is important to remind our residents the significance of keeping the City's fire hydrants free and accessible. The City asks that you help to keep fire hydrants accessible for firefighting operations by keeping space clear around sides of the hydrant as you do your shoveling or snow blowing. With 446 fire hydrants in Countryside, it is not possible for the City's employees to clear them all after a major snow storm when the priority is snowplowing the roads.

If you notice a damaged or leaking fire hydrant, please call the Public Works Department at (708) 354-3390.

Sump Pump Discharge

Winter is here and with that comes ice. City code prohibits sump pumps and downspouts from discharging into the street since the water freezes and creates hazardous situations. The ice can also create a dam that prevents melting snow from reaching the storm sewers. Please take a moment to ensure that your sump pump and downspouts are in compliance. City Code section 7-7-5 states that sump pumps and downspouts shall discharge the water at least 25 feet from the front or rear property line and at least 15 feet from the side property line.

If you are unsure about your property, please feel free to contact the Community Development Department at (708) 354-1860 and we can assist you.

ECONOMIC DEVELOPMENT

CONTINENTAL GROUP INVESTS HEAVILY IN COUNTRYSIDE

Continental Nissan will be building a brand new facility on the north end of their parking lot located at 5750 LaGrange road. The business will remain open during the construction which is scheduled to begin in the spring. The new state of the art facility will increase their footprint by approximately 30%. The old facility will be demolished once the new facility is ready for occupancy.

The City is also in the process of negotiating a TIF redevelopment agreement with **Continental Honda**. They began considering improvements to their dealership located at 5901 LaGrange Road after storm damage to the façade and roof. The discussion with Honda expanded to improve the facility overall. The improvements will include all aspects of Honda's new Generation III prototype including showroom tile, furniture, salesmen partitions, signage, new bathrooms and a brand new customer waiting area. **Collectively, the Continental Group will be investing approximately \$8 million in our town. The City is thrilled to see the confidence they have in our community by undertaking these projects and their commitment to remain in Countryside.**

5631 LAGRANGE ROAD IS NEXT TO BE DEVELOPED

The City Council approved a redevelopment agreement "RDA" with **Lil' Kickers LLC** for the development of the parcel located at 5631 LaGrange Road. The RDA includes construction of a 21,000 sf. early childhood learning facility called Lil' Kickers and approximately 9,000 sf. of retail space. A 2,000 sf. winter garden area is the focal point of the entrance. The tenant mix should be finalized in the first quarter of 2015 with Lil' Kickers scheduled to open in September.

Sales Tax Continues to Improve

Economic Development has been a top priority the last several years, as historically sales tax has paid the bills in Countryside. However, in 2010 a property tax was levied to pay the debt service on bonds issued to assemble property which is now known as the City Center. **Alderman McDermott, Chairman of the Economic Development Committee said, "The City Council is committed to eliminating the levy when it is fiscally responsible to do so."** Well, that time has come. The City is in sound financial shape. As development continues to occur in the City Center and elsewhere, sales taxes are projected to increase thereby allowing a reduction in property taxes. Next year, the City is expecting another 3% increase in our sales tax with the opening of Tony's Fresh Market as well as the other developments noted on this page. Sales tax collections pay for approximately **70%** of the City's general operations including police protection, streets & highways, building & zoning and administration. Supporting our local businesses will help us to continue providing top quality services with no property tax levy. **Shop Countryside!**

	Actual 2012	Actual 2013	Estimated 2014	Projected 2015
Sales Tax Collections	7,544,248	8,087,549	8,164,000	8,400,000
Property Tax Levied	1,474,828	973,796	150,000	-

DEVELOPMENT UPDATE

Tony's Finer Foods opened their 12th store on the 12th of November in Countryside. They completely renovated the building including new ceramic tile, upgraded refrigeration units, all new check-out equipment and new fixtures. The store dedicates a section to organic and gluten free foods. Their deli counter which stretches the length of the store has many meats and cheeses you can't find at other grocers. Owner, Tony Ingrassia said, "We like to cater to the ethnic groups in the area". So, if you are looking for octopus salad, barszcz [Ukrainian borscht], pyszne kielbaski [BBQ Polish sausage], baklava [Greek pastry], or juusto [Scandinavian baked cheese] you know where to find it. Tony's will not only be a favorite shopping stop for people who live in the area, it is sure to be a favorite for those who work in the area. They have a comfortable seating area surrounded by a fresh salad bar, hot soup bar, fresh sushi station, gelato bar, fresh squeezed juice bar and bakery. If you haven't had time to check it out, now's the time!

CITY CENTER UPDATE

The City Council approved a redevelopment agreement with Countryside Partners, LLC for the development of the last lot in the City Center. The agreement requires the developer to do the site work and construct a **Chick-fil-A** "CFA" restaurant. CFA has been interested in the City Center since its inception. We are happy to report that a revised site plan with a slightly smaller footprint and a double drive-thru has sealed the deal. CFA plans to begin construction in late spring with a planned opening in the fall. This CFA footprint will be unique to Countryside but still include the indoor play area for kids and the same great food.

City Services

Driveway Apron Snow Removal: Senior citizens and disabled Countryside residents may sign up each year to have their driveway aprons plowed if more than 2-inches of snow falls. This removal will be done only after all City streets are cleared. The City is ***not*** responsible for any driveway damage. To receive this service, please call the City Clerk's office.

Selling Your Home or Business: All property sales in Countryside require a pre-sale inspection and the following information:

- ◆ A completed Real Estate Property Transfer Declaration form;
- ◆ A final water meter read;
- ◆ A paid sewer receipt.

The cost of the stamp is \$50 (no personal checks), and is the responsibility of the seller.

For more information about these services, please contact the Clerk's office at (708) 354-7270. ***Forms are also available on our website.***

Don't forget to disconnect any hoses that may have been connected to outside spigots to prevent frozen pipes.

Owners of vacant properties should be reminded to have enough heat in their buildings to keep pipes from freezing.

The Department of Public Works recently purchased a new 2014 International dump truck, equipped with a plow and salt spreader.

Scholarship Recipient

Lyons Township High School graduate and Countryside resident, Karenn Lange received the Countryside Women's Club scholarship of \$500 and the Ada Muckleston

scholarship of \$1,000 from the American Legion Auxillary last year. Karenn was sponsored by the Robert E. Coulter Post 1941 in LaGrange.

Presenting Karenn with the Countryside Women's Club scholarship is Secretary, Helen Frey.

Congratulations!

Easter Egg Hunt

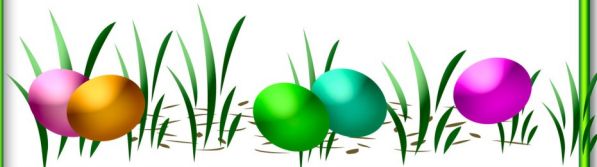

Saturday, April 4

10am at Countryside Park

**Over 1,000 candy filled eggs
to be hidden in the park**

**Age groups: 0-2, 3-4, 5-6,
7-8 and 9-11**

**For more information, please
call 708-485-2595.**

Community Happenings

Leaf Raking for Countryside Seniors

**No parking on city streets
after 2" of snowfall.**

Students and community members/organizations volunteered their services to help 30 houses clear their properties of leaves. The Countryside Aging Well Team is featured in the picture on the left: Team Leader Alderman Von Drasek, Elderly Service Officer April Bisignani, and Team Members Lou Crotty, Mary Sobecki, Judy Bashor and Shannon Rapp.

Community Happenings

CBA Fall Crawl

The Countryside Business Association "CBA" ran its first pub crawl October 25, 2014. Nine bars participated in the event. Two trolleys ran continuously between the establishments at no cost to the participants. Each establishment had their own specials including live entertainment, drink specials, and raffle prizes. Flagg Creek Golf Course created a spooky miniature golf challenge on their putting green. Funds raised from the sale of t-shirts went back to the CBA for its needy family fund. A great time was had by all on a beautiful evening to crawl through Countryside.

CBA Thanksgiving Dinner

The CBA held its fourth Thanksgiving dinner for families in need. A traditional dinner of turkey, potatoes, stuffing and pumpkin pie were served by CBA members, volunteers from the community and Capri Banquet staff to 365 people. Each family received a \$25 gift card for Tony's Fresh Market or Jewel Osco, as well as a grocery bag filled with non-perishable food items donated by Tony's Fresh Market. Thank you to all the sponsors and volunteers who made this event such a success.

Dinner Sponsors: Autobarn Subaru and Volkswagen, City of Countryside, Westfield Ford

Grocery Sponsor: Tony's Fresh Market

Monetary Sponsors: Bare Development, City of Countryside, Countryside Leadership Party, Countryside Rotary, Flagg Creek Golf Course, Groot, Infinity Communications Group, Ledo's, Lyons and Pinner Electric Co., Mark & Sue Burdett, Marry Me Jewelers, Park District of LaGrange, Schwartz Excavating, State Bank of Countryside, Vengar Construction, Bill Mulvaney, Donna Sutter, Jewel and UPS

2014 CHILDREN'S CHRISTMAS PARTY

The Children's Christmas party was a huge success. Over 200 children of all ages attended the event at Capri Banquets. Santa and his elf were on hand to hear all the children's wishes. Jeanie B! provided entertainment including singing, dancing, a new rendition of the Twelve Days of Christmas and even an indoor snowball fight. Two boys and two girls in each age category were awarded a specially wrapped gift by Mayor Krzeminski. The grand prize winners, Ava Woosley and Roger Cansino each received a \$250 gift certificate for Ultimate Pro Bikes conveniently located at 6558 Joliet Road. A festive and happy time was had by all.
