5. BUSINESS FROM THE COMMITTEE FOR DISCUSSION, CONSIDERATION AND IF SO DETERMINED, ACTION UPON:

5.a. Consideration to join the Village of LaGrange, Village of Lagrange Park, and the Community Park District of LaGrange Park in an Annual Wellness Screening/Flu Shot Program.

City Administrator Paul said that the IPBC is our insurance pool for health insurance. These other communities have been doing this wellness program and asked Countryside to join. In order to get the medical personnel to come to your sight you have to have a minimum number of people to register. This program doesn't cost the City anything. It is paid for by the IPBC wellness fund.

The company will do a 32 component blood test where they can screen you for different things. This is an optional program and employees can sign up for it. The tests only take about ten minutes and they can give you some preliminary results right away. The full report will be mailed to the employee's home. The employee can also pay and get a flu shot at the same time. This program is open to anyone that is on our medical insurance. They have a list of other screenings you can do but the employee would have to pay for those screenings and schedule them.

Chairman Mikolyzk asked if Medicare would cover this. City Administrator Paul said she doesn't know because this is specifically for people that are in IPBC.

Alderman Frohlich made the motion to approve to join the Village of LaGrange, Village of Lagrange Park, and the Community Park District of LaGrange Park in an Annual Wellness Screening/Flu Shot Program the motion was seconded by Alderman Musillami, and the motion carried unanimously.
