What is Fleet Watch?

Fleet Watch is a program that utilizes highly visible fleet and municipal vehicles to act as a crime deterrent. They become additional eyes and ears around the community to report suspicious activities to local police. Fleet Watch provides an added degree of safety for the residents of Countryside.

Explanation of the Program

1. Fleet Watch is a local effort involving companies and local law enforcement promoting Crime Control and increased Public Safety.
2. Each person involved in Fleet Watch is an additional set of eyes and ears for local law enforcement officials.
3. Participants in Fleet Watch are encouraged to notify law enforcement via radio or cell phone if they observe anything suspicious.
4. Participants in Fleet Watch are NOT to physically intervene in a situation.

The Role of the FLEET WATCH Participant

Fleet Watch participants should notify police of any suspicious activity or situation that requires the immediate attention of law enforcement.

1. Describe exactly what has occurred.
2. Give the location of the incident.
3. Describe if the incident is happening now, has just happened, or occurred some time ago.
4. Advise if there are any injuries, and to what extent.
5. Provide a description of the suspect/suspect vehicle.
6. Advise if the suspect fled the scene, in what direction, and by what means of travel.
7. If reporting suspicious activity, report why the situation appears suspicious.
8. If a child approaches a Fleet Watch vehicle, requesting assistance, stay with the child until the police arrive and avoid placing the child in your vehicle unless absolutely necessary.
9. In the case of an accident, indicate injuries, the extent, road blockage, chemical spills, and the exact location.
