Dear Resident/Business Owner:

Effective today, the State of Illinois is moving to Phase 4 of the Restore Illinois Plan. The Revitalization Phase provides more opportunities for shopping, dining, entertainment and personal care. Key changes include the following with capacity limits and safety guidance:

- **All outdoor recreation** is allowed including competitive youth and recreational sports.
- **Restaurants and bars** can open for indoor dining and drinking; individual party limits up to 10.
- **Child care and schools** can reopen.
- **Indoor recreation** (e.g. bowling alleys, skating rinks) can reopen.
- **Health and Fitness** clubs can open for indoor classes up to 50 people with at least 6 feet social distancing between individuals.
- **Meetings and social events** (such as weddings and funerals) are limited to 50 people or less with social distancing or 50% of overall facility capacity.
- **Theaters and cinemas** can open.
- **Zoos and museums** can open.

Although Phase 4 brings increased openness we encourage you to follow safe practices to reduce the spread of COVID-19, especially to those at a higher risk including:

- **Wash your hands** regularly with soap and water. Use an alcohol-based sanitizer when hand washing is not available.
- **Wear a face mask** covering your mouth and nose when in public when social distancing is difficult. Cover coughs and sneezes with a tissue or your arm.
- **Maintain a physical distance** of at least 6 feet from others.
- **Stay home when feeling sick.** COVID-19 symptoms include fever, cough, difficulty breathing and shortness of breath.

Enjoy the new opportunities available in Phase 4 in a safe and responsibly manner. Thank you for doing your part in reducing the risk of COVID-19 in our community.

Sincerely,

Sean R. McDermott
Mayor
