Dear Resident,

The City of Countryside has an Intergovernmental Agreement with the Park District of LaGrange for the shared use of City owned parks and outdoor facilities. With this agreement, the Park District of LaGrange will have full use of our fields and outdoor facilities for recreational programming, and in exchange, all Countryside residents will be afforded the opportunity to participate in all Park District programs at their resident rate. All Countryside residents will also be able to register for programs at the same time as LaGrange residents without being put on a waiting list. The Park District of LaGrange is located at 536 East Avenue, LaGrange, IL 60525.

*The Park District currently offers a wide range of programs and activities for preschool age children through senior citizens in their Program Guide. This program guide is only available **online by visiting www.pdlg.org**. This is a wonderful opportunity for the residents of Countryside and LaGrange and truly shows a cooperative effort between the two communities.*

Though the Park District of LaGrange has taken over all recreational programs, the City will still offer the Countryside Children's Christmas Party, Winterfest, Easter Egg Hunt, and the Summer Concert Series. Keep your eyes out for a separate mailing on those events.

As always, if you have any questions or concerns, you may reach me by phone at 708-334-5803 or email smusillami@countryside-il.org.

Sincerely,

Scott Musillami

Chairman, Special Events Committee
