Business Watch is a free program offered by the Countryside Police Department. The purpose of the program is to alert businesses about issues that may affect their day-to-day operations.

The **Business Watch** program keeps you informed of current crime alerts and trends in the Countryside business community.

By keeping a current email database, the Police Department is able to quickly share information with **Business Watch** participants.

BUSINESS WATCH

THE OWNER OF
THIS BUSINESS
REPORTS

**SUSPICIOUS
ACTIVITY**

Business Watch is an "information-sharing" vehicle.

Participating businesses will receive information to help them stay informed about current crime trends, while increasing their awareness of potential crimes.

Business owners and employees can be better prepared to avoid becoming the target of a crime.

Get Signed Up Today!

Just complete the information below and mail, fax, email, or drop this form off at the Countryside Police Department.

Your information will be added to our database and you will start receiving updates.

For additional information, please contact Deputy Chief Paul Klimek at 708-352-2171 or visit us at www.countrysidepolice.org.
