

WHAT'S YOUR VISION FOR Countryside?

About the Plan

Countryside is updating its Comprehensive Plan, a roadmap for the City to direct future growth and development over the next 10-20 years.

The Comprehensive Plan will outline the existing conditions of Countryside, describe future goals and objectives for development, and include an action plan on how to achieve these goals and objectives.

Subareas Visioning Workshop

Help us create a **plan** for key areas, or *subareas*, of the City! We'll use markers and maps to draw and discuss **YOUR IDEAS** for different subareas of Countryside. This is your opportunity to tell us what you think, before plans and recommendations are crafted.

The Subareas Visioning Workshop is a key component in developing Countryside's new Comprehensive Plan and **everyone** is encouraged to attend.

We hope to see you there!
